

# GUHRING ✓ Select

For well over 100 years, the name Guhring has been associated with cutting tool innovation and quality. High-production facilities on every continent rely on Guhring technology to elevate their productivity, and manufacturers of high-precision parts know that Guhring provides consistent quality and performance.

Now smaller machine shops can also enjoy the benefits of Guhring's well-known cutting tool expertise with **GUHRING Select**, a category of stocked standard drills, taps and variable helix carbide end mills. This category is comprised of existing cutting tool series; current products which are already favorites in many machine shops across the United States.

Each **GUHRING Select** series has been chosen because of its versatility in a wide range of materials and machining operations, to provide you with a full compliment of quality drill, tap and end mill options at an economical price. These top-quality cutting tools will increase your productivity, and because they're **GUHRING Select**, you can **save 22% - 40%** over similar style tools by purchasing them. For the 3-man shop or the high-production facility, Guhring has a **GUHRING Select** tool which can help increase profitability.

Look for the **Guhring Select** logo to quickly identify these economical cutting tool choices.
