Technical drawing of a mechanical part. The drawing includes a side view and a cross-sectional view. The side view shows a part with a vertical flange of height f and a horizontal body of length l_1 . A circular feature with a star symbol is located on the flange, with a radius R and a distance l_2 from the center to the right edge. A 90° angle is indicated at the top left. The cross-sectional view shows a rectangular profile with height h . The label "CC..." is present near the star symbol.
