HM-Sorte/Carbide Grade
Klassifizierung/Classification
Länge/Length

The technical drawing illustrates a carbide insert with two views. The side view on the left shows a cylindrical shape with diameter D and length L . A feature on the left end is labeled $h6$. The end view on the right shows a circular cross-section with an outer diameter d and a central hole of diameter TK . The insert is divided into three sectors by radial lines, each labeled 120° . The outer edges of these sectors are chamfered at an angle of 4° .
