

Technical drawing of a bolt. The drawing shows a bolt with a hexagonal head and a threaded shank. The dimensions are labeled as follows: d_1 is the diameter of the head, d_2 is the diameter of the shank, d_3 is the diameter of the head (also labeled), l_1 is the total length of the bolt, and l_2 is the length of the threaded portion. A 90-degree angle is indicated between the head and the shank.
